

SIMPLE, HONEST AI BILLING

AI CREDITS. NO SURPRISE BILLS. EVER.

Most owners have no idea how many minutes they spend on the phone today — so we made sure you can't get burned finding out.

WHAT A CREDIT IS

1 AI Credit = 1 minute of your AI answering, texting, or booking.

Your plan includes credits every month:

STARTER
60 credits

GROWTH
100 credits

SUITE
500 credits

THREE GUARDRAILS

1

Month one is free of overage

We watch your real call volume and right-size your plan before you're ever charged extra.

2

Extra spend is capped at \$0

That's the default. You set the cap. Nothing above it bills, ever.

3

Nothing charges without your YES

Text back to approve a top-up. Ignore it and nothing happens.

100 CREDITS

Credits never expire. Buy them in your portal, or just reply to a text.

WHAT YOU GET TOLD, AND WHEN

Alerts at 50%, 80%, and 100% of your credits — by text and email.

Sent to you, not just to us. You always know where you stand before anything changes.
