

THE AI ASSISTANT STARTER KIT

AI FOR YOUR BUSINESS. IN A BOX.

All you need to start is a text-enabled phone. We build it, we run it, you keep doing what you do. Month to month — stop anytime.

WHAT YOU NEED TO KNOW

1 You only need a text-enabled phone.

If you can get a text, you can be AI ready today. Everything else is optional.

2 Your AI answers when you can't. 24/7/365.

Calls, texts, email and chat — in your own voice. As automated as you want.

3 Affordable to start.

Low setup, simple monthly fee. Custom tools and add-ons are a la carte.

4 Start slow. Add on when you're ready.

Landing page, prospecting, client capture, scheduling, follow-ups, billing.

5 Use it as long as you like.

We do the work. Month to month, no contracts, stop anytime.
